- (a) No employee shall be required to take his or her meal before the end of the third (3rd) hour nor later than the end of the fifth (5th) hour of the employee's scheduled workday.
- (b) Where mutually agreeable between the Employer and the employee, a thirty (30) minute lunch may be taken.

In the case of an employee entitled to two (2) rest breaks, one (1) break shall be granted as near the middle of the period prior to the meal break as possible and the other shall be granted as near the middle of the period following the lunch break as possible.
- (b) In cases of part-time employees working less than an eight (8) hour day, the rest period will be scheduled in the longer half of the shift if the shift is broken by a lunch period. Employees working more than six (6) hours in a workday shall be entitled to a second fifteen (15) minute uninterrupted rest period; provided they do not take the optional thirty (30) minute meal period.

- (c) Full-time and part-time employees shall receive an additional fifteen (15) minute uninterrupted rest period for each four (4) hours worked in excess of eight (8) hours of any shift.
- (d) Rest periods may be taken outside of the store.

- (a) Each schedule shall show first and last name of each employee, starting time, meal period, quitting time and days off.

It is understood that circumstances may require the management to change or alter schedules during the work week in case of emergency (emergency shall be defined as fire, strike, flood, illness, funeral leave, acts of God or other similar emergencies).

However, if it becomes necessary to change the work schedule for any reason beyond the control of either party, store management or the employee, as the case may be, shall personally notify the other of the inability to work the posted schedule, giving as much advance notice as possible to the other.

When two (2) or more employees request the same specific day(s) off, seniority shall apply.

- (d) Full-time employees will be scheduled forty (40) hours in five (5), eight (8) hour workdays. Each employee covered by this Agreement shall be scheduled a full day off during the work week, unless mutually agreeable between the Employer and the employee.

Employees who do not want to work more than five (5) days in a work week shall provide the Store Manager with such a written request to that effect. The Employer will make a reasonable effort to honor such requests. Should it become necessary to work such employees such a schedule, it shall be by inverse order of seniority.

- (e) All employees shall report for and be ready for work at their scheduled starting time. The term "ready for work" shall include appropriate or required dress.
- (f) The parties agree the schedule will not be used for arbitrary, capricious, or retaliatory scheduling of employees. If an employee feels management is retaliating or punishing him/her through the work schedule, the employee, through the Union, may appeal this matter directly to the District Manager or Retail Operations Manager. The employee will be given a written response as to the purpose of such scheduling requirements.

8.10 STORE MEETINGS – Time spent in required store meetings called by the Employer shall be considered as time worked and shall be paid for in accordance with the provisions of this Agreement. Store meetings shall not constitute a split shift violation nor call-in where the Employer gives at least twenty-four (24) hours' notice. This privilege shall not be abused. No employee shall be disciplined in any manner for failing to attend a store meeting scheduled for such employee's vacation, personal holiday, or when on a scheduled day off.

8.11 WORK GUARANTEE – Employees who are scheduled to report for work, and/or who are called by store management or a department head to report for work on a scheduled day off, shall receive four (4) hours work or four (4) hours pay; provided they are available for such work. However, in no event shall anyone work or be paid less than two (2) hours. Regular full-time employees called in to work and who work on Sunday and/or holidays will be given eight (8) hours work.

8.12 SUNDAY WORK – Employees who want to work on Sunday shall so indicate by signing a roster in the store once each quarter.

- (a) The quarterly roster shall be posted in each store for three work weeks prior to the start of the quarter in which it is to apply. Quarter is defined as three (3) calendar months effective each January 1.
- (b) The Employer shall schedule work on Sunday from that list in order of department and classification and seniority in the departments and classifications where help is needed and further subject to their ability to perform the work. Employees who fail to work a Sunday which they are scheduled without good cause shall have their name removed from the current quarterly roster and will forfeit any right to sign the next quarterly roster.

- (c) If there are not sufficient employees of proper department and classification seniority who have the ability to perform the work who have signed the quarterly Sunday Roster, then the Employer shall assign such work by reverse seniority.

8.13 TRANSFERS – Transfers will not be made for arbitrary, capricious or unlawfully discriminatory reasons.

- (a) If any employee wishes to transfer from one store to another, the employee shall make a request to the District Office in writing stating the reason why; and when a vacancy of the appropriate classification, job skills and full-time or part-time status occurs in that store, the Company will make a reasonable effort to accommodate the employee.
- (b) Within fifteen (15) days of any denial, the employee may request that the Employer state the reason in writing.

8.14 MORE THAN ONE STORE – Whenever an employee is required by the Employer to work in more than one store during the same day, reasonable time consumed by the employee between stores shall be considered as time worked and paid for as part of the regular day's work.

SECTION 9 SENIORITY

9.1 DEFINITION – Seniority shall be defined as the length of continuous employment with the Employer in the bargaining unit as described in Section 1 of this Agreement, and no employee shall suffer loss of seniority by reason of approved leave as defined in this Agreement. If two or more employees have the same seniority date, the employee with the lowest sequence of the last four (4) digits of the employee's social security number shall be considered the most senior.

9.2 PRINCIPLE OF SENIORITY – The Employer agrees that the Principle of Seniority shall prevail in the layoff of employees, recall of employees and reduction of hours of full-time employees in the bargaining unit; provided the factors of skill and ability to perform the required tasks are relatively equal. The following application shall apply:

- (a) Layoff. Layoff is defined as a work week where an employee has no hours on the work schedule. When a layoff (reduction of the work force, as opposed to a reduction of hours) is necessary, the following procedure shall apply.

Layoffs will begin within recognized departments by job classifications to be affected in reverse order of seniority. The affected person(s) shall be personally notified as soon as possible of the impending lay-off and shall be given the following options:

1. displacing a less senior employee in the same classification in the same store;

2. displacing the least senior employee within the same classification within the Bargaining Unit;
3. displacing a less senior employee in a lower classification within the same store; or
4. accepting the layoff. It is agreed that layoffs shall only occur at the end of an employee's weekly schedule.

- (b) Reduction of Hours. Hours will be reduced from part-time employees within the affected classification in reverse order of seniority. Employees who receive less than ten (10) hours per week on the work schedule, may elect to accept a layoff in lieu of working the ten (10) hours, and shall for all purposes of this Agreement, be treated as a layoff.

Subject to the legitimate business requirements of the store, should it become necessary to reduce the hours of full-time employees in that store, the least senior full-time employee in the store in the affected classification may be reduced to part-time status; or the affected employee may exercise his/her seniority to claim a full-time schedule of the least senior full-time employee within the same classification within the Bargaining Unit.

- (c) Recall. The most senior employee on layoff status shall be the first employee recalled to the department and classification, prior to the Employer hiring any new employee or promoting any employee into the department and classification. Employees who are on layoff as a result of schedules of less than ten (10) hours, shall be required to accept recall if no one with less seniority remains on layoff.

Any employee reduced from full-time status to part-time status shall be returned to full-time status prior to any employee being hired or promoted into the same classification and department in that store, where possible.

Notice of recall after layoff shall be sent by registered mail to the employee's last known address with a copy to the Union. If persons so recalled do not report within five (5) working days after receipt of the above notice, they shall lose their seniority and right to further recall.

Laid off employees agree to advise the store manager of change of address or an out-of-town trip.

9.3 LOSS OF SENIORITY – Employees shall lose seniority for any of the following reasons:

- (a) Termination for just cause;
- (b) Resignation or quit;

- (c) Layoff beyond three hundred sixty-five (365) consecutive days. However, employees recalled after one hundred eighty (180) days shall be reduced by one (1) Apprentice Step;

18.2 An employee may not accept other employment while on leave of absence and may be terminated for violation of this Provision, except where written consent has been obtained from the Employer.

18.3 This Section shall not be used to justify or support excessive absenteeism and should the Employer wish to verify an employee's illness or his ability and/or inability to perform the work required, it may employ a doctor of its own choosing for such purpose, paying all charges for such doctor's services.

18.4 Seniority shall continue to accrue while on any type of leave of absence to a maximum of six (6) months at which time, if leave has been extended by the Employer, seniority will remain frozen until the employee returns to active service.

18.5 PERSONAL LEAVE – The Employer agrees to notify the Union of any personal leave of absence and the conditions of same which it grants to any employee. Such leaves of absence shall not exceed one (1) calendar year. The Employer shall retain sole and exclusive right to grant personal leaves of absence.

18.6 Upon written request, Leave of Absence without pay for Union business, not to exceed six (6) months, will be granted by the Employer to each employee who has completed one (1) year of service or more. This leave may be extended by an additional six (6) months by mutual agreement between the Company and the Union. An employee on a Union leave of absence may receive pay from the Union.

SECTION 19 FUNERAL LEAVE

19.1 Upon request, an employee covered by this Agreement shall be granted reasonable time off in order to make arrangements for and/or attend the funeral occasioned by a death in his immediate family. Non-probationary employees will be compensated for time off to a maximum of three (3) regularly scheduled workdays in an amount equal to his straight-time hourly rate, times the number of hours (up to eight (8) per day) he would have been scheduled to work. Payment will be made for a day of absence only if such day is one of the three (3) days either commencing with the day of death or with the day immediately following the day of such death and is a day in which the employee would have worked had it not been for the absence.

19.2 If an employee is notified of the death of a member of his immediate family while at work, he shall be allowed the remainder of his workday off if he so wishes. His Funeral Pay would begin at the time of his leave; but would be extended by the number of hours he had worked that day if the full three (3) days of funeral leave is necessary.

19.3 Immediate family used in this Section shall be defined as the employee's parents, in-law parents, spouse, children, brothers, sisters, grandparents, and grandchildren.

SECTION 20 JURY DUTY

20.1 Employees who are required to and who report for jury duty shall be paid by the Employer for each day partially or wholly spent in performing jury duty an amount equal to the difference between the employee's regular straight-time hourly rate times the number of hours (up to eight (8)) that he otherwise would have been scheduled to work and the compensation received for jury duty (excluding amounts received as reimbursement for expenses or as a travel allowance). Such hours paid for shall not be counted as hours worked for purposes of computing overtime. Jury Duty pay shall not exceed ten (10) working days pay per year.

20.2 In order to be eligible to receive payment under this Section, an employee must notify his store manager on his first (1st) workday after receipt of the notice to report for jury duty and must furnish satisfactory evidence that jury duty was performed and the amount of compensation received for such service on the days off which payment is claimed.

20.3 If an employee is notified to report to work by the store manager or assistant manager when he is excused from jury service either temporarily or permanently, on any scheduled workday, the employee shall promptly report to complete any remaining hours of his scheduled workday, provided no employee shall be required to so report for work on any day on which he has served and been compensated by the Court for at least eight (8) hours jury duty, nor shall an employee who reports back to work under this Section be required to work more than ten (10) hours, less the number of hours for which he served and was compensated for jury duty by the Court on that day.

20.4 If an employee appears in Court or the Police Department on behalf and at the request of the Employer, he shall receive his basic straight-time rate of pay for the time spent in making such an appearance, and such time shall not be considered as part of the work week under the terms of this Agreement.

SECTION 21 PENSION

21.1 Effective January 1, 2006, the Employer agrees to make pension contributions of sixty-eight cents (\$0.68) per straight-time hour worked (including Sunday hours) for eligible employees hired before October 30, 2005 to the Desert States Employers and UFCW Union Pension Trust Fund. Effective January 1, 2007, the Employer agrees to make pension contributions of seventy-eight cents (\$0.78) per straight-time hour worked (including Sunday hours) for eligible employees to the Desert States Employers and UFCW Union Pension Trust Fund. Effective January 1, 2008, the Employer agrees to make pension contributions of eighty-eight cents (\$0.88) per straight-time hour worked (including Sunday hours) for eligible employees to the Desert States Employers and UFCW Union Pension Trust Fund. Effective January 1, 2009, the Employer agrees to make pension contributions of ninety-eight cents (\$0.98) per straight-time hour worked (including

Sunday hours) for eligible employees to the Desert States Employers and UFCW Union Pension Trust Fund. Though no contributions are required on Courtesy Clerks, they shall be granted past service credits if promoted from the Courtesy Clerk classification and effective January 1, 1999, they shall be covered by the terms of the pension plan although no pension contribution on Courtesy Clerk hours is required. Holiday and vacation hours shall be added to those hours for which the above-mentioned contributions shall be made. The Employer contributions for employees hired on or after October 30, 2005 will commence on the later of one (1) year of service with the Employer or twenty-one (21) years of age and shall be at a rate of forty-eight (\$0.48) cents per straight-time compensable hour.

Supplemental contributions are contained in subsection 21.7.

21.2 Said Pension Fund shall be used to provide benefit pensions for eligible employees of the Employer as provided in a Pension Plan, the term and provisions of which are to be agreed upon by the parties hereto: said Pension Plan shall, among other things, provide that all benefits under the Plan and costs, charges, and expenses of administering the Plan and all taxes levied or assessed upon or in respect of said Plan or Trust or any income therefrom shall be paid out of the Pension Fund.

21.3 Said Pension Plan and the Trust Agreement establishing the Pension Fund has been submitted to the United States Treasury Department and the United States Department of Labor for the approval and rulings satisfactory to the Employer, that said Plan is qualified under I.R.C. Section 401, et seq. and that no part of such payments shall be included in the regular rate of pay of any employee.

21.4 It is agreed by and between the parties hereto that when the Pension Plan is approved by the United States Treasury Department and the United States Department of Labor and becomes operative and the Employer makes contributions into the fund those employees covered by this Agreement shall automatically cease to participate in the Employer's Retirement Plan then in effect.

21.5 The Employer shall be represented by its employees, or some other representative on the Board of Trustees administering such Pension Plan. A copy of the Trust Agreement and any amendments thereto shall be made a part hereto as if herein at length set forth, when adopted.

21.6 If for any reason the United States Treasury Department and the United States Department of Labor withholds approval and rulings satisfactory to the Employer, the parties to this Agreement hereto agree to negotiate other fringe benefits or wage increases in the amount equal to the cents per hour provided for in this Section for all hours worked at straight-time in lieu of payments into the Pension Fund, and that those employees who are eligible will continue to participate in the Employer's Retirement Plan.

21.7 Pension Protection Act

The Trustees are authorized and directed to make the 205 election under the Worker, Retiree and Employer Recovery Act of 2008 (WRERA) to extend the Rehabilitation Period three (3) years.

The bargaining parties agree and understand that the Employer's obligation to make pension contributions in addition to the base contribution rate specified in Section 21 of the Gallup Retail Clerks Agreement and Section 22 of the Farmington/Aztec Retail Clerks Agreement shall be limited to the contribution rates required in the attached Alternate Schedule (modified only as provided herein) as follows: effective with hours worked in December 2009 a supplemental contribution of ten cents (\$0.10) per contribution-eligible hour; effective with hours worked in December 2010 an additional supplemental contribution of fifteen cents (\$0.15) per contribution-eligible hour; and effective with hours worked in December 2011 an additional supplemental contribution of fifteen cents (\$0.15) per contribution-eligible hour. These supplemental contribution increases, in the aggregate, shall not exceed \$0.40 cents per contribution-eligible hour during the term of this Agreement. It is understood and agreed that the Employer may reduce the amount of any supplemental contribution due the Trust (but not below zero) by the amount of any surcharge, deficiency or excise tax required to be paid by the Employer as a result of the plan's being in the red zone under the Pension Protection Act (the "PPA"), including any amounts paid after January 1, 2009, the date the plan entered the Red Zone, and shall be accounted for in the form of a contribution credit. The supplemental contributions provided for herein shall be dedicated solely to improving the funding of the Plan, and shall not be used to increase or improve benefits, and will be reduced or discontinued upon determination by the Plan's Trustees, based on projections provided by the Plan's actuaries, that such supplemental contributions are no longer needed to support the level of benefits provided for under the Plan in accordance with the provisions of subsection (iv).

As a result of the Plan's having been certified and being in critical status for the Plan Year beginning January 1, 2009, the Trustees are authorized and directed to adopt the Rehabilitation Plan Alternate Schedule attached as Appendix B-1 hereto. If the Alternate Schedule is adopted by the Trustees, it is hereby deemed approved by the bargaining parties and automatically incorporated into this Agreement.

The Alternate Schedule shall be effective with hours worked on and after December 2009 as to the supplemental Employer contributions required in this subsection, and January 1, 2011 as to benefit reductions.

The Trustees are authorized and directed to adopt and take into account to the extent legally permitted any relief available under IRC Section 431(d). Notwithstanding the foregoing, and unless and until further judicial, legislative or regulatory guidance is provided which resolves the issue, the Trustees shall not apply Proposed Regulation 1.432(b)-1 to allow an exit from the Red Zone by taking into account any Section 431(d) extensions unless the Plan will not re-enter the Red Zone without taking into account those Section 431(d) extensions.

In no event shall any contribution increases be required during the term of this Agreement as a result of any annual updates or other changes to the Rehabilitation Plan Alternate Schedule or, if applicable, to any Default Schedule.

In the event the Trustees determine, based on projections provided by the actuaries for the Plan, that, at any time during the term of this Agreement, an Alternate Schedule with lesser contribution rates and or benefit reductions would be sufficient to reasonably enable the Plan to emerge from critical status by the end of the Rehabilitation Period, the Trustees may amend the Alternate Schedule in a manner that, to the extent possible, would restore reduced benefits and would reduce the Employer's supplemental contributions in an equal manner and amount, based on actuarial equivalence, provided that such modifications to the Alternate Schedule would enable the Plan to emerge from critical status by the end of the Rehabilitation Period, taking into account to the extent legally permitted any relief available under IRC Section 431(d). In the event the Trustees amend the Alternate Schedule as provided in this subsection (iv), the bargaining parties shall adjust the supplemental contribution rates provided above to reflect the lower rates provided in the amended Alternate Schedule. Notwithstanding the foregoing, if, prior to the effective date of any benefit cuts specified in the Alternate Schedule, the Trustees determine that (a) such benefit cuts are no longer required to avoid critical status or to have a valid Rehabilitation Plan, and (b) the supplemental contributions could be reduced or eliminated, then the Employer supplemental contributions shall be reduced or eliminated accordingly, and the Employer shall be further entitled to recoup the value of any supplemental contributions paid prior to the effective date of the benefit reductions set forth in the Alternate Schedule. This provision shall apply regardless of the reason for the Trustees' determination, including a change in the law and/or improved investment returns. The value of the contributions shall be recouped via a suspension of contributions in an amount equal to the amount of the supplemental contributions paid.

The Board of Trustees is authorized and directed to take all reasonable measures to cooperate and assist in achieving these objectives, including consistent with their fiduciary obligations adoption of actuarial methods statutorily available that will reduce requirements for supplemental contributions.

If legislative changes and/or regulatory changes or interpretations occur affecting the PPA during the term of this Agreement, the Board of Trustees is authorized and directed to mitigate any benefit reductions and any contribution increases set forth in the Alternate Schedule and this Agreement to the extent permitted by law, and in accordance with provisions of subsection (iv).

The existing Long-Term Funding Policy of the Fund shall be suspended for the term of this Agreement, provided that the Alternate Schedule (as it may be modified from time to time) must go into effect and remain in effect as contemplated in this Agreement. Upon expiration of the term of this Agreement or when the Alternate Schedule is no longer in effect or no longer required, the Long-Term Funding Policy shall automatically go back into effect without the need for further action by the Trustees or any other party.

21.8 Make any change in contribution rate to the Desert States Employers and UFCW Unions Pension Plan during the term of this 2018-2022 Agreement as the major employers in Arizona.

SECTION 22
STORE CLOSING

22.1 In the event the Employer closes or sells a store and employees are terminated as a result thereof, pay equal to one week's pay shall be provided for each year of continuous service commencing with the third (3rd) year of continuous service for employees, up to, but not exceed to eight (8) weeks' pay at their regular rate. However, those employees who have an incomplete year of continuous service as an employee will receive pro-rata severance pay for that year as follows:

0-3 months equals twenty-five percent (25%) of a week's pay

3-6 months equals fifty percent (50%) of a week's pay

6-9 months equals seventy-five percent (75%) of a week's pay

Over 9 months equals one week's pay

Severance pay shall be computed based on the average hours worked per week for the fifty-two (52) weeks preceding a voluntary layoff or termination.

22.2 The Employer shall continue contributions to the Pension and Health and Welfare Trust Funds for three (3) full months following termination on an hourly basis in direct relationship to the severance pay received for those employees who receive severance pay, except for those employees who secure employment with a contributing Employer in the Pension and Health and Welfare Trust Funds.

22.3 All monies due employees, including severance pay, shall be paid in a lump sum upon termination. It is agreed further by the parties hereto, that, upon sale or transfer of ownership of the Employer's business or upon dissolution of business, vacation pay for all months worked for which no vacation has been given shall be immediately paid to all employees coming under this Agreement, regardless of length of time said employee has been with the Employer and for those employees who are eligible and have not taken a personal holiday in the year the store closes or is sold, the Employer will pay holiday pay for one personal holiday.

22.4 An employee who is terminated and who is eligible for severance pay, and accepts severance pay, forfeits his seniority and has no recall rights. However, an employee may elect to accept a voluntary layoff not to exceed ninety (90) days. At the end of the ninety (90) day period, if he has not been recalled, he will be paid severance pay and forfeit his seniority. Any extensions of this ninety (90) day period must be agreed upon in writing and signed by the employee, a representative of the Union and the Employer. In no case will such extension exceed a total of six (6) months from the date the employee accepted the layoff.

22.5 If an employee is offered a transfer or other employment with the Employer within forty (40) miles of the store in which he was last working and he refuses to accept the transfer or other employment with the Employer he forfeits his rights to severance pay and Pension and Health and Welfare contributions.

22.6 If a store is sold and the successor Employer offers employment to an employee who is otherwise eligible for severance pay under the terms of this Section and the new job is comparable, then no provisions of this Section shall apply. Comparable is defined as 75% of the employee's wage rate.

22.7 The Employer agrees to give to the employees and the Union three (3) weeks' notice in advance of a store closing or sale. When such notice is given, an employee shall remain with the Employer until the plant or store closes, or forfeit his rights under this Section, unless mutually agreed to by the employee, Employer and Union.

22.8 No benefits shall accrue under the terms of this Section unless the Employer makes a business decision to close or sell a store. If a store closing is caused by fire, flood, storm, land condemnation or remodeling, then this Section shall not apply.

22.9 It is understood and agreed that employees can exercise their seniority rights under the Layoff Section; however, if they exercise such seniority rights, the provisions of this Section shall be null, void and not applicable.

SECTION 23 WAIVER

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to all proper subjects of collective bargaining and that all such subjects have been discussed and negotiated upon and the Agreements contained in this Contract were arrived at after the free exercise of such rights and opportunities; therefore, the Employer and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

SECTION 24 TECHNOLOGICAL CHANGE

The parties recognize that automated equipment and technology is now available for the retail food industry. The Employer recognizes that there is a desire to protect and preserve work opportunities. At the same time, the Union recognizes that the Employer has the right to avail itself of modern technology. With this common objective, the parties agree as follows:

- (a) In the event the Employer introduces major technological change which for the purpose of this Section is defined as electronic price marking, electronic scanner, and any robotic devices which would have a direct material impact affecting

bargaining unit work, sixty (60) days advance notice of such change will be given to the Union.

(b) In addition, the parties agree:

1. The Employer has the right to install such equipment
2. Any training or necessary retraining will be furnished expense free by the Employer to affected employees.
3. Where employees would be displaced by such installation, the Employer will make every effort to affect a transfer.
4. If an employee is not retrained or transferred and would be displaced as a direct result of major technological change, as defined above, then the employee would qualify for separation pay, if:
 - a. The employee has two (2) or more years of continuous service.
 - b. Does not refuse a transfer within a twenty-five (25) mile radius.
 - c. Does not refuse to be retrained.
 - d. Such action does not occur more than one (1) year from date of installation.
 - e. Does not voluntarily terminate employment.
5. Severance pay would be paid at the rate of one (1) week's pay for each year of service in excess of two (2) years not to exceed eight (8) weeks.
6. Severance pay would equate the average number of hours worked the fifty-two (52) weeks preceding adjustment.

SECTION 25
TERM OF AGREEMENT

This Agreement shall be in effect from November 4, 2018 through and including November 5, 2022, and from year to year thereafter, subject to amendment, alteration or termination by either party upon sixty (60) days written notice given prior to any anniversary date of the Contract beginning with the last date mentioned above.

Signed this 21st day of January, 2020.

PENSION

Desert States Pension Plan

Effective January 1, 2006, the Employer agrees to make pension contributions of sixty-eight cents (\$0.68) per straight-time hour worked (including Sunday hours) for eligible employees hired before October 30, 2005 to the Desert States Employers and UFCW Union Pension Trust Fund. Effective January 1, 2007, the Employer agrees to make pension contributions of seventy-eight cents (\$0.78) per straight-time hour worked (including Sunday hours) for eligible employees to the Desert States Employers and UFCW Union Pension Trust Fund. Effective January 1, 2008, the Employer agrees to make pension contributions of eighty-eight cents (\$0.88) per straight-time hour worked (including Sunday hours) for eligible employees to the Desert States Employers and UFCW Union Pension Trust Fund. Effective January 1, 2009, the Employer agrees to make pension contributions of ninety-eight cents (\$0.98) per straight-time hour worked (including Sunday hours) for eligible employees to the Desert States Employers and UFCW Union Pension

Trust Fund. Though no contributions are required on Courtesy Clerks, they shall be granted past service credits if promoted from the Courtesy Clerk classification and effective January 1, 1999, they shall be covered by the terms of the pension plan although no pension contribution on Courtesy Clerk hours is required. Holiday and vacation hours shall be added to those hours for which the above-mentioned contributions shall be made. The Employer contributions for employees hired on or after October 30, 2005 will commence on the later of one (1) year of service with the Employer or twenty-one (21) years of age and shall be at a rate of forty-eight (\$0.48) cents per straight-time compensable hour.

The Trustees of Desert States Employers and UFCW Union Pension Plan shall be authorized and directed to modify the pension plan as follows:

- For each year that the benefit accrual rate is now \$30 or \$31.50, the accrual rate shall be increased to \$35.
- For years of Benefit Credit accrued on and after 1/1/97, the benefit accrual rate shall be \$40 until such time the participant has accumulated a total of ten years of Benefit Credit (including years that are less than \$40). For each year of Benefit Credit accrued thereafter, the benefit accrual rate shall be \$50.

The improvements outlined above shall not apply to benefits earned prior to a break in service, and shall only apply to participants who retire on or after 1/1/98.

- Courtesy Clerks shall become covered by the terms of the pension plan beginning January 1, 1998. The Employers' contribution obligation to the pension plan shall not be increased (i.e., no contributions will be paid on courtesy clerk hours).
- During each year of the December 1, 1998 to October 27, 2001 Agreement, the trust fund shall pay a 13th check to retirees who retired prior to 1/1/98. Thirteenth checks shall be payable in February 1998, 1999 and 2000.
- Effective 1/1/97, the actuarial value of plan assets shall be written up to equal the market value of assets as of that date. In subsequent years, the actuaries shall utilize the same asset valuation method that has been used with a floor equal to 90% and a ceiling of 110% of the market value of assets.
- There shall be a seven-month suspension of contributions beginning 1/1/99 (hours worked) and the contribution year shall be adjusted accordingly (i.e., same as Intermountain).
- Beginning with 1/1/99 plan year, contributions shall be suspended based upon a 17-year amortization (same as Intermountain). No such suspension shall continue beyond the expiration of the agreement.
